MESSAGE FROM CEO

PAGE 01

At Caretex , we pride ourselves on having the most fashion forward designs in our industry. Throughout the year, we research the latest fabrics and styles so that we can bring new and exciting apparel collections to the market. We have been doing this since 1998. Almost 16 years, so by now we have a great resource of styles, fabrics and colors available for your customers to choose from and we're always adding more on a daily basis.

We produce and supply all RMG throughout boasting a broad range of apparel sales channels, including apparel manufacturers, Importers, department stores, Brands, chain stores, boutique stores, SPA-type retailers, volume sellers, and mail-order companies. We aim to capitalize on our unique comprehensive capabilities as a textile company to provide premium-quality, high-value-added products and services.

Our main management policies:

1. Company's powerful prosperity.
2. Providing satisfaction and pleasure to our customers.
3. Making employee's better life.

Our team are well experienced with Merchandiser, designers, pattern makers, and production associates and most efficient quality control team are the best in the Bangladesh work environment experienced. Production plant are vertically set up and followed by the international compliance and certification. We have also in Dhaka many international testing lab to ensure all types of harmful substance are not using on the different process of RMG production specially formalin, Color fastness, rubbing, AZO etc ,

We are available 24/7 to get involved at every stage of each project. We'll make sure you are receiving the best customer service possible and please do not hesitate to get in touch with us anytime!
